Venue: Tokyo Gakugei University (Koganei Campus)

Knowledge Partners

The International Eminence Awards is a formal international recognition of outstanding achievements of companies, groups, organizations, institutions, and individuals worldwide in specific areas relevant to physical education, sports, and health, as well as those who successfully addressed global challenges.

Criteria for the International Eminence Awards in 2024

- **Outstanding Performance (25%)** - Consistently amazing and outstanding performance in a certain field of effort, activity, or profession.
- **Social Relevance (15%)** - The nominee has engaged in community service activities and events.
- **Impact of Achievements (30%)** - The impact of the nominee's achievements on a particular sphere of employment or profession.
- **Excellence and Distinction (30%)** - Other honors and distinctions obtained in the course of pursuing a company or profession.

SELECTION PROCESS

Level 1: Nomination form (to be completed by the nominator) Curriculum vitae and pertinent documents, upload as a PDF through the online application

Level 2: The Selection and Steering Committee reviews the submission/nomination. Level 3: The Selection and Steering Committee requests a copy of additional accomplishments/achievements

Level 4: The Selection and Steering Committee evaluate the accomplishments/achievements based on the given criteria. Candidates should be able to demonstrate distinction specific to their appointment requirements or beyond if appropriate), reflecting excellence in those area(s). Sending letter for Final Selected Awardees per sector

ICWPESESG-2024 aims to bring together academicians, physical educationists, sports scientists, nutritionists, psychologists, physiotherapists, coaches, yoga experts, policymakers, and research scholars on a common platform where they can share their rich experience in research, physical education, and sports & exercise science

Sub-Themes

Innovative Teaching Methods in Physical Education

- Technology Integration in Physical Education
- Gamification in Physical Education
- Flipped Classroom Approach
- Reflective Practice in Physical Education
- - Experiential Learning in Physical Education

Physical Education Policy and Advocacy

- Physical Education Policy Development and Implementation
- Advocacy for Physical Education
- Assessing the Impact of Physical Education Policies
- International Perspectives on Physical Education Policy
- Advocacy for Professional Development in Physical Education

Call for Papers: We invite submissions of authentic papers centered around Sports and Physical Education

Email: interassocpesi@gmail.com

Publications: Only selected quality papers will be published in ICPEPNEP Conference Proceedings (with ISBN)

Sports Science and Performance

- Exercise Physiology
- Sports Biomechanics and Kinesiology
- Sports Nutrition
- Sports Medicine
- Exercise prescription and training
- Sports Coaching and Pedagogy

Inclusion and Adapted Physical Education

- Inclusive teaching practices
- Modifications and adaptations
- Creating inclusive physical activity programs
- Physical Literacy for Special Populations

Exercise Psychology

- Motivation and Exercise Adherence
- Exercise and Mental Health
- Psychological Aspects of Exercise Performance
- Exercise Psychology Interventions
- Exercise and Cognitive Function
- Exercise and Stress Management

Physical Literacy

- Frameworks of Physical Literacy
- Assessing and Measuring Physical Literacy
- Integrating Physical Literacy Across the Curriculum
- Physical Literacy and Sports Participation
- Professional Development and Training for Physical Literacy

PROGRAM

Day 1:

Keynote addresses current trends in sports and physical education research.
Interactive panel discussions with prominent researchers.

Parallel workshops on specific research methodologies and techniques.
Networking opportunities for participants to share ideas and form collaborations.

Abstract Presentation

Objective: Provide a platform for researchers to present and discuss their latest findings and studies.

Concurrent sessions with oral presentations of research abstracts.
Q&A sessions to facilitate discussions and feedback.

Day 2:

Poster presentations showcasing ongoing research projects.
Judges review and recognize outstanding abstracts.

Workshop Training for Group Games
Objective: Practical and hands-on training to improve the skills of participants in leading group games and activities.

Demonstration of effective group game strategies.
Workshops on planning and implementing group games.

Participants actively engage in practical sessions.
Feedback and discussion on effective facilitation of group games.

Day 3:

Annual Eminence Awards 2024

Objective: Recognize and honor outstanding contributions to the field of physical education and sports.

Benchmarking

Objective: Provide an opportunity for participants to visit and learn from successful sports and physical education programs.
